#### FIVE-YEAR COMPLETION

Students earning a high school diploma or GED within five years. Cohort includes students who were first-time ninth graders in 2017-18 finishing in 2021-22.

### District Goals

The Sheridan School District is working with ODE to ensure that we meet the state goal of 90% on-time, four-year graduation rate by 2025. We are also focusing on providing quality service to students, parents and community members in all areas of the school district. We are using our resources wisely to achieve these goals. Our focus is on supporting every student through differentiated learning and a culturally responsive environment. We believe in a well-rounded education that supports student success academically, emotionally and socially.

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
